Burlington Northtown Community Credit Union (BNCCU) announces a \$60 thousand bonus dividend paid to its members on January 19th for the year 2023; a historic first for this \$15 million credit union.

This unprecedented bonus, distributed on top of regular dividends, reflects the credit union's exceptional financial strength, performance, and commitment to give back to our members.

We are incredibly excited to share this milestone with you, our members, it is your trust and investment in the credit union that fuels our success, and this bonus dividend is a direct expression of the credit union's gratitude to our members/owners.

This bonus dividend was distributed proportionally on January 19<sup>th</sup> to all eligible members share account based on their qualifying deposit balances and activity throughout the year of 2023. The dividend is a combination of a 200 percent bonus dividend and a three percent loan interest refund.

This bonus dividend is just one way we say thank you and give back to our members for being a part of the BNCCU family, we look forward to continuing to serve and building a brighter financial future together.
